Areas of study open to international students

There are no restrictions, apart from Medicine. Exceptionally, the Faculty of Medicine at UFMG will not offer spots for the 2022 academic year. Due to the pandemic, the course is not able to guarantee the complete allocation of all UFMG students. Therefore, unfortunately, the Faculty of Medicine was not favorable to receive exchange students for the 2022 academic year.

Students must fill in UFMG's Study Plan, indicating which courses and/or activities they want to participate at UFMG. Study Plans will be evaluated by the courses coordinators and afterwards the candidates will be informed about their acceptance.
